**Subject:** Salt River Project, Coronado Generating Station, Part B Application Transmittal

Good Afternoon,

Please find the below link to the Salt River Project (SRP) Application and Notice of Intent to Submit an Alternate Liner Demonstration in Accordance with 40 CFR § 257.71(d)(1)(ii). SRP appreciates the U.S. Environmental Protection Agency's consideration of this Application to make an Alternate Liner Demonstration for the Coronado Generating Station Evaporation Pond. Any questions regarding the contents of the Application may be directed to myself, Andrea Martinez at 602-236-2618 or

[Andrea.Martinez@srpnet.com](mailto:Andrea.Martinez@srpnet.com).

If you have any issues accessing these materials, please let me know. If it is not to much trouble, could I receive a reply that the full Adobe .pdf package and all pages were transmitted? A successful transmittal notification would be greatly appreciated. Thank you so much for your time and consideration.
